If you love me eight  
I'll love you forever  
If you're good to me I'll be so good to you  
I'll give you love so tender  
And if you'll be the one who's true to me  
I'm gonna be the one who'll never leave  
I'll be there to be everything you need  
I'll stay forever, I'll stay forever.

But I'll be gone  
If you should ever treat me bad  
Gone  
If you should ever lie to me  
I'll, I'll be gone for good if you  
don't love me like you should  
I'll be, I'll be gone. I'll be gone, yeah  
I'll be gone. I'll be gone, yeah.

I'll love you so good  
Like no one's ever loved you  
And I'll touch you in the places  
That nobody else has ever touched you  
I'll fill your ever night with tenderness  
I'll give you all my soul and nothing less  
I'll live just to assure you happiness  
I'll stay forever, I'll stay forever.

But I'll be gone  
If you should ever treat me bad  
Gone  
If you should ever lie to me  
I'll, I'll be gone for good if you  
don't love me like you should  
I'll be, I'll be gone. I'll be gone, yeah  
I'll be gone. I'll be gone, yeah.

There's nothing in this world that  
I won't do for you  
No amount o love that I won't give you  
Anything you go through I'll go with you  
I'll be the one who'll be with you

I'll stay forever, I'll stay forever

But I'll be gone

If you should ever treat me bad

Gone

If you should ever lie to me

I'll, I'll be gone for good if you

don't love me like you should

I'll move on

If I should find you're doing me wrong

If I find you're unkind to me

I'll, I'll take nothing less than full

respect from you

Or I'll be gone

I'll be gone, I'll be gone, yeah
