I'm addicted to the thrill  
That's getting other people I'll  
So come get crazy with me boy  
Let's cross the limits and enjoy

Let's go totally insane  
Don't mind your manners or your brain  
Give up give, in to your desire  
Watch me burn, I'm on fire

(Give in to your desire  
I'm on fire)

I'm addicted to the thrill  
That's getting other people I'll  
So come get crazy with me boy

Let's cross the limits and enjoy

Let's go totally insane  
Don't mind your manners or your brain  
Give up give, in to your desire  
Watch me burn, I'm on fire

Feel it running through my veins  
I'm on fire  
I'm an addict, I'm insane  
I'm on fire  
Feel the passion, feel the pain  
It's desire  
I'm on fire, I'm burning  
I'm on fire
