Hey, come on, cut your crap
Get it on, I'm kicking back
You've got to, hah hah, to give it to me baby.
Don't you stand over there,
Be a man if you dare
You've got to, hah hah, to treat me like a lady.

I love the way you like me,
The things you say about me.
I like you looking pretty though I look like hell.
I like it when you miss me.
I like it how you kiss me,
I like you looking after me though all is well.

Let's stay in bed all day long, I say
We can do it all in every way
'Cause I like it just the way you like it.
OoOOOooh!

Hey, come on, cut your crap
Get it on, I'm kicking back
You've got to, hah hah, to give it to me baby.
Don't you stand over there,
Be a man if you dare
You've got to, hah hah, to treat me like a lady. (x2)

You know my every action
My different reaction
You know what gets me going and what pisses me off
You know I'm not the soft kind
I do what's on my own mind
But suddenly it seems like I can't get enough.

Let's stay in bed all day long, I say
We can do it all in every way
'Cause I like it just the way you like it.

Hey, come on, cut your crap
Get it on, I'm kicking back
You've got to, hah hah, to give it to me baby.
Don't you stand over there,

Be a man if you dare
You've got to, hah hah, to treat me like a lady. (x2)

Like a lady
OoOOOooh!

Hey, come on, cut your crap
Get it on, I'm kicking back
You've got to, hah hah, to give it to me baby.
Don't you stand over there,
Be a man if you dare
You've got to, hah hah, to treat me like a lady.(x2)
