Who's that boy in the back of the club?
Is he playing hard to get 'cause he's so damn hot
I'm bending over backwards to catch his eye
I wonder if he knows how hard I try

Maybe I should just let him know where I stand
Would he be impressed if I said I'm in a band?
Might be a little bit over the top
I bet he's gonna tell me to shut the fuck up... shut the
fuck up

Here boy
Get down boy
Be a good boy
Here boy
Get down boy

Who's that boy with that pretty little ass
I could beat around the bush or make a pass
I know we gonna make a perfect match
It shouldn't be that hard, I'm quite a catch... quite a
catch

Maybe I should just let him know where I stand
Would he be impressed if I said I'm in a band?
Might be a little bit over the top
I bet he's gonna tell me to shut the fuck up... to shut the
fuck up

Here boy
Get down boy
Be a good boy
Here boy
Get down boy
Be a good boy
Be a good boy
Here boy
Get down boy
Be a good boy
Here boy
Get down boy

Be a good boy
