Don't want you're money No dirty promise
Don't want the memories that echo in my head
You left me stranded caught you red handed
You tore my heart out left me here for dead

If I'm giving, I'm giving up
I'm empty handed you took enough (ohh ohh)

But if i had a dime for every single you ever made me
cry I'd be a millionaire
If i had a dime for every single time i should of said
goodbye I'd be a millionaire
But i don't don't cuz you left me Broke
But i don't don't cuz you left me Broke

My love is priceless can't buy my time back
So let's forget all our regrets and keep the change
You don't define me only remind me
I'd rather beg then live that lie with you again

If I'm giving, I'm giving up
I'm empty handed you took enough (ohh ohh)

But if i had a dime for every single you ever made me
cry I'd be a millionaire
If i had a dime for every singe time i should of said
goodbye I'd be a millionaire
But i don't don't cuz you left me Broke
But i don't don't cuz you left me Broke

Youuuuu had it all but all I am is not enough
So I'm taking back my heart
I'm richer without you with nothing (nothing) nothing
(nothing) nothing

But if i had a dime for every single time you ever made
me cry I'd be a millionaire
If i had a dime for every singe time i should of said
goodbye I'd be a millionaire
But i don't don't
But i don't don't (ohhh ohh)
But i don't don't (cuz you left me Broke, you know you

left me Broke)
But i don't don't (ohhh ohh)
