You got a face like a doll
will it last forever? NO
I just want your beautiful
(you don't need to think about it)
tell me things i want to hear
take the truth
ill take the dare
feed me lies
and eat my fear
(cut the chase and get right to it)

We might never meet again
(this might be the last time)
kiss me like the world will end
(press your lips right up my spine)
pull that shirt off
full of shit
(dirty secrets, dirty lies)
you can be my last regret
my last regret...

Your beautiful
don't know your name
its all the same
nothing last forever babe
You take it off
i throw it all away
i gave it to you best
nothing lasts forever babe
(cash, cars, girls, boys)
nothing lasts forever babe
(hot nights, bright lights)
nothing lasts forever babe
(true love, first touch)
nothing lasts forever (x2)
nothing lasts forever babe

-Billy Kraven-
You taste like i like it (woah)
acid mixed with alco(hoIII)
set me up to take a fall
(nothing i can do about it)

hey don't take it personal
work the pain, i'm versatile
quick before they milk it all

(no one gives a fuck about it)
