What am I supposed to do to try to make it up to you?  
My words never arrive  
Baby , you're a mystery standing right in front of me  
How long can we survive?  
I was blind but now I see  
We'll both be fine  
Together we'll heal in time  
Cause you're part of me, and I'm part of you  
Cause you're part of me, and I'm part of you  
We'll both be fine  
Together we'll heal in time  
Cause you're part of me, and I'm part of you  
Cause you're part of me, and I'm part of you  
Never been a mystery  
Never really mean to be the reason we'd ignite  
Fire blinds ,but now I see  
We'll both be fine  
Together we'll heal in time  
Cause you're part of me, and I'm part of you  
Cause you're part of me, and I'm part of you  
We'll both be fine

Together we'll heal in time  
Cause you're part of me, and I'm part of you  
Cause you're part of me, and I'm part of you  
We'll both be fine  
We'll be stronger, We'll be stronger  
We'll both be fine  
We'll be stronger We'll be stronger  
We'll both be fine  
Together we'll heal in time  
Cause you're part of me, and I'm part of you  
Cause you're part of me, and I'm part of you  
We'll both be fine  
Together we'll heal in time  
Cause you're part of me, and I'm part of you  
Cause you're part of me, and I'm part of you  
We'll both be fine  
Together we'll heal in time  
Cause you're part of me, and I'm part of you  
Cause you're part of me, and I'm part of you

We'll both be fine  
Together we'll heal in time  
Cause you're part of me, and I'm part of you  
Cause you're part of me, and I'm part of you
