Invisible, the man on the street  
The voice of silence,  
You don't want to meet  
The homeless, the poor  
Society's dregs  
The drunk and the junkie  
The woman who begs

Old and dying are obsolete  
Children crying in the street

Invisible, victims of hate  
Police and villains  
Wasters of time  
Scapegoats and prodigals  
Social outcasts

Lost boys and girls, iconoclasts

Old and dying are obsolete  
Children crying in the street  
Drugs abusing, our memory losing  
Invisible are everywhere

Invisible, the child you abuse  
The people who die for the drugs that  
You use  
The wife that you batter, the husband  
You cheat  
The old and the dying, the now  
Obsolete
