I'm standing iin a place with no walls, no signs, need  
someone to hear my calls, like i'm waiting to become  
who i used to be.

Has it gone too far do i know who i am.

Can i make some sense try be whole again just to be  
myself without standing in my own way

Take all of me and all of you cause i'm nowhere, all of  
me and i hope this matters cause i'm half of what i  
used to be.

Half of what i used to be.

Start moving and changing my ways.

One step at a time just walk out of this haze, just let it  
go and give you the rest of me.

Take all of me and all of you cause i'm nowhere i'm  
nowhere.

All of me and i hope this matters cause i'm half of what  
i used to be.

I'm waiting
