The count has an eye on his ankle and lives in a  
horrible place.  
He wants all your money, he's never at all funny, he  
wants to remove your  
face. And you might be thinking what a romp this is, but  
wait till you  
meet his accomplices.

When you see Count Olaf you're suddenly full of  
disgust and despair and  
dismay. In the whole of the soul of Count Olaf there's  
no love.

When you see Count Olaf, count to zero, then scream  
and run away.  
Scream, scream, scream and run away.  
Run run run run run run run or die die die die die  
die die  
Run run run run run run run or die die die die die  
die die

Two women with powdered white faces and one long-  
nosed bald man  
with warts. Things worsen and worsen, there's a hook  
handed person and  
others with nastier parts. This evil and unpleasant  
group completes Count  
Olaf's acting troupe.

The goal of Count Olaf is getting control of the fortunes  
of urchins and  
orphans hooray. I mean, horrors, Count Olaf is no  
laughing matter.

When you see Count Olaf, count to zero, then scream  
and run away.  
Scream, scream, scream and run away.  
Run run run run run run run or die die die die die  
die die  
Run run run run run run run or die die die die die  
die die
