the tiny goat wanted a birthday party  
and sent out invitations to its friends  
but when the day came  
none of them remembered  
so it gouged out its eyes  
with fountain pens  
the world is cruel and the moon remote  
suicide was not an option for the tiny goat

the tiny goat was very, very ugly  
and like all ugly things, it fell in love  
when twenty years of waiting turned to nothing  
it swallowed lye and laid down on the stove  
when the world bites, there's no antidote  
who would want to spend forever with a tiny goat?

the world's a leech crawling down one's throat  
one would rather be a tick than be a tiny goat
