Sittin' in my room, radio loud, hope they dont wake up
Trying on some shoes, in the mirror puttin' on make-up
My favorite song is on, the brush my microphone
Performing for my fans, ooh I'm dreamin' again
Wearin' my sisters clothes, fly from head to toe
Singin', na na na na na na
Singin', na na na na na
Watch me do my thaang, I just wanna sing
na na na na na na, singing na na na na na

What would my life be
People watchin', always talkin'
Paparazzi's there to catch it, press not scared to ask it
Girl like me, jammin' the radio, me on the stereo
Oh, oh I wish I could be an Overnight Celebrity
Oh, oh I wish I could be an Overnight Celebrity
woah yeah

Now, things are not the same
Dream limousines now that I made it
I'm lovin' all this fame, people screamin' my name in
different places
Forget reality, just look I'm on t.v
Performing for my fans, ooh I'm dreamin' again
See my name in lights, big apple take a bite
Singin' na na na na na na
Singing na na na na na
Watch me do my thaang, Everybody siiinnnggg
na na na na na na, singin' na na na na na

What would my life be
People watchin', always talkin'
Paparazzi's there to catch it, press not scared to ask it
Girl like me, jammin' the radio, me on the stereo
Oh, oh I wish I could be an Overnight Celebrity

Who says I can't be who I want
I close my eyes the journey starts
oh yeah I want it all, on top no plans to fall
I'm wishin' on a star, tonight I'll be a star, so tired of
dreamin'
Sick and tired of askin' myself

What would my life be
People watchin', always talkin'
Paparazzi's there to catch it, press not scared to ask it
Girl like me, jammin' the radio, me on the stereo
Oh, oh I wish I could be an Overnight Celebrity

What would my life be
People watchin', always talkin'
Paparazzi's there to catch it, press not scared to ask it
Girl like me, jammin' the radio, me on the stereo
Oh, oh I wish I could be an Overnight Celebrity
Oh, oh I wish I could be an Overnight Celebrity
oh, oh an Overnight Celebrity
na na na na na na
na na na na na
yeah, yeah
na na na na na na
Why not
