It's my last big breath what you want me to do?
When you act all cool like you already knew
then i'll be stuck here cold, just waiting it through
'till your heart starts beating for that somebody new

You know that it's true
Cause it's beautiful people like you, who get whatever
they want
and it's beautiful people like you, who suck the life right
outta my heart
and it's beautiful people like you, who make me cry
'cause nobody else could be nearly as cruel as you

It's a wicked game that you making me play (making
me play)
Where I crawl back home as your walking away (hey,
hey)
then it's all quiet clear what you want me to say? (what
you want me to say)
But you'll be so long gone if i ask you to stay

You know that it's true

Cause it's beautiful people like you, who get whatever
they want
and it's beautiful people like you, who suck the life right
outta my heart
and it's beautiful people like you, who make me cry
cause nobody else could be nearly as cruel as you

It's my last big breath, what you want me to do
When you act all cool, like you already knew

Cause it's beautiful people like you, who get whatever
they want
and it's beautiful people like you, who suck the life right
outta my heart
and it's beautiful people like you, who make me cry
cause nobody else could be nearly as cruel as you

Nobody else could be nearly as cruel as you, as you
