Your made up friend has given up on you
Two more drinks and he might come true
Locked up mom and dad in a cave
They'll get out when they've learned to behave

I don't care that I feel worse than before
I'm drunk, left alone, waiting
But I still want more
Shut up

Darling, let go
Stay away from him
Don't let him know
Darling, go home
It's the only way that you still know

In a hose kind of hard to reach
Just give me two more minutes
And I'll be back on my feet
Are going the long weekend
Say it, one more kiss and let's be friends

But I don't care that I feel worse than before
I'm drunk, left alone, waiting
But I still want more
Shut up!

Darling, let go
Stay away from him
Don't let him know
Darling, go home
It's the only way that you still know

You still know
But you don't know
Let's go home
No one know

Darling, let go
Stay away from him
Don't let it show

Darling, go home
It's the only way that you still know
Oh, you still know
Oh, watch him go
