Ooh Ooh
Ooh Ooh Ooh
I loved you, I loved you
With all that's in my power
I was used and abused
Til I was sweet and sour

I kissed you, I kissed you
And gave you all my sugar
You knew that I'd be useless
if I let you know what you were to me
I thought it would be ok
We shared everything

No way
And I knew it, I knew that
you'd turn out to be a sad case
You said you could save me
I'm doing the saving

Went to sleep with superhero
And woke up with villain

Killing, killing my love
Oh what happened?
Don't know what happened
You got me fighting
Like wonder woman

I, I, I don't wanna fi-i-ight
I, I, I don't wear no ti-i-ights
And I can't fly-y-y
I'm no, I'm no superhero-o-o
Oh, oh, oh
I, I, I don't wanna fi-i-ight
I, I, I don't wear no ti-i-ights
And I can't fly-y-y
I'm no, I'm no superhero-o-o
Oh, oh, oh
Oh no

Oh no, happened.

Oh no, happened.
Oh no, don't know what happened.
Don't know what happened
