Hey, boy you never had much game
So I needed to upgrade
So I went and walked away way way
Now, I see you've been hanging out
With that other girl in town
Looking like a pair of clowns clowns clowns

Remember all the things that you and I did first?
And now you're doing them with her
Remember all the things that you and I did first?
You got me, got me like this
And now you're taking her to every restaurant
And everywhere we went, come on!
And now you're taking her to every restaurant
You got me, got me like this

Boy you can say anything you want
I don't give a shh, no one else can have ya
I want you back
I want you back
Wa-want you, want you back ah
I broke it off thinking you'd be cryin'
Now I feel like shh looking at you flyin'
I want you back
I want you back
Wa-want you, want you back AH

Please, this ain't even jealousy
She ain't got a thing on me
Tryin' to rock them ugly jeans jeans jeans ah
You clearly didn't think this through
If what I've been told is true
You'll be crawling back like boo hoo hoo

Remember all the things that you and I did first?
And now you're doing them with her
Remember all the things that you and I did first?
You got me, got me like this
And now you're taking her to every restaurant
And everywhere we went, come on!
And now you're taking her to every restaurant
You got me, got me like this

Boy you can say anything you want
I don't give a shh, no one else can have ya

I want you back
I want you back
Wa-want you, want you back
I broke it off thinking you'd be cryin'
Now I feel like shh looking at you flyin'
I want you back
I want you back
Wa-want you, want you back

Ohhh, I thought you'd still be mine
When I kissed you goodbye uh oh uh oh
Ohhh, and you might be with her
But I still had you first uh oh uh oh

[Snoop Dogg]

I was trying to do what you say I flew to the UK
You said my game was fake like a Toupe
So I had to make some changes, rearranges (what)
I was living so wild and dangerous
Staying on a go with a house full of strangers
I need to get you back, because you know how my thang is.
You know you had me first for better or worse
A pocket book, a purse, trouble, a bubble a burst
Now, I know that this is the truth but you'll never find another like Snoop
So get with it
You need me
I want you
Now I'm being real with it
Sing to me
Come on

Boy you can say anything you want
I don't give a shh, no one else can have ya
I want you back
I want you back
Wa-want you, want you back (what)
I broke it off thinking you'd be cryin'
Now I feel like shh looking at you flyin' (haha)
I want you back
I want you back
Wa-want you, want you back

Ohhh, I want you back Lalalala
I want you back
Wa-want you, want you back

Ohhh, I want you back
I want you back
Wa-want you, want you back

Does it sound like a helicopter?
