All of them other boys can walk away
They ain't even in the game
(cause they know that you own it)
You got the swag, you got this attitude
Wanna hear you say my name

Cause you got me flying
With your love
Shining
With your love
Grinding
With your love

I feel like I'm on top of the world with your love
One hit
With your love
Can't quit
With your love
So sick, but so what?
I feel like I'm on top of the world with your love

[Mike Posner]
You got it, yea, yea, you got it
I can slow it down, speed it up, how you want it, girl...
All night long, and I don't even care if you sing my
songs wrong
