-You be pimpin' just like my baby daddy brother Lucius
Baby daddy brother Lucius? I never pimp like no baby
daddy brother Lucius, I don't know who the fuck that is

-You would never pimp like him

I'm not no pimp, of course , I'm only getting accused of
some pimp

-Oh ok, so you only get accused

Your baby daddy brother Lucius is not a brilliant pimp

-Ok so, if you tell somebody like, I wanna introduce you
to this man who has a whole lot of money and maybe
you can get some money out of him and you just so

-Your verbiage is pimp, verbiage right now

I don't even know what verbiage mean, what is you talking about

-Pimpin.
