Chorus:

Reach for the top, she said
And the sun is gonna shine
I want to get what's mine!
I want to get what's mine!

When I'm asleep I hear a voice in my mind
Saying damn baby, just reach for the top (reach for the top)!
By the way I'm overdosed with girls, please tell me how could I stop!
... feels important to grab all the choices,
But shawty, I cannot cup!
How's that? trying to get back
Number one role, this is my shot
I rode the roads form a...
Momma dear, dear, so I'mma trust not
This weekend... so what's up now?
... say when, why to ask why
... this bullshit must die

Chorus:

Reach for the top, she said
And the sun is gonna shine
Reach for the top, she said
And the sun is gonna shine
I want to get what's mine!
I want to get what's mine!

When I awake I hear a voice in my mind
I say baby, just kill 'em with charm (kill 'em with charm)
I'mma take you to living like a...
With pretty girls all on my arm.
Then betrayed, trying to get paid

Friendships with...
Rough game, thought it was all the same
Man, this shit is like moving...
... get a little cake...
And it can't take... she on my dick
... damn, I'm convinced to... with some sense

... she on top, I cannot trip!

Chorus: (x2)

Reach for the top, she said
And the sun is gonna shine
Reach for the top, she said
And the sun is gonna shine
I want to get what's mine!
I want to get what's mine!
