Featuring Get Gwop & Weezle Sims

For starters, who's the authors
Of this bullshit rap you tryin' to get the streets to
sponsor
King James version, a bunch of faggots writing
Hating on you niggers, if I don't like 'em I don't like 'em
Pick that medic up, go and let the addicts sin
Ghost spot like a sanctuary holy at the Vatican
And I'm the Pope arounds these parts we on
Drum roll crazy barrel spinning like retards
The coke version Mary it ain't been touched yet
You niggers wanted postage you're so suspects
Guap getters who getting money all seasons
In the hood more respect then a pledge of allegiance

[Hook]

I dream I block like a tabernacle
You ain't too grown of how my niggers kidnapped you
I dream I block like a tabernacle
You ain't too grown of how my killers kidnapped you
I'm with the poor pit with today's I'ma preach (x4)

Man why these lames wanna set me up
They mad 'cause my izm is a motherfuck
Pull it with me partner and you gon' get touched
Had them people call me call me wake your mama up
Why they priding on their izm dog
'Cause I'm ballin' like send me on!
'Cause I'm ballin' like great pompon
Nah bitch I'm ballin' like ,send me on!
Tryin' to get paid is an outrage
These pussy out faith I just outstage
You really should be careful what your mouth say
Have them drillers in your place like a house day

[Hook]

I dream I block like a tabernacle
You ain't too grown of how my niggers kidnapped you
I dream I block like a tabernacle
You ain't too grown of how my killers kidnapped you

I'm with the poor pit with today's I'ma preach (x4)
