[Hook]

I don't know, I don't know, I don't know

Why yo bitch chose me

(yo bitch chose me)

All I know, all I know, all I know

Is you gotta stay on your toes

(yo bitch chose me)

All I need, all I need, all I need

Is a bitch like you in my team

(yo bitch chose me)

And I'ma show you how to get that money

And bring it back to me

(yo bitch chose me)

I love me a super bad choosey hoe

If you don't do it for the paper what you do it for

I got a stable full of them they listen well

They never disagree with me , I kiss and tell

Put it all on the line at the drop of a dime

But they ain't 'bout to drop shit if you ain't got they
mind

So that's the top priority when you rolling with me

Pimp fiction, Cory Mo and GLC

We certified, we have never have stepped out for

We don't need no permission and we don't ask
questions

So I suggest you keep it moving unless you paying me
partner

'Cause I ain't got no time for what you doing

Better watch your bitch though,

'Cause everytime you turn around she reckless
eyeballin' me and my clique bro

But I got to lie for , look at her knees

Carpet burned up from when she sucked on me

Bitch please

[Hook]

(yo bitch chose me)

Some of these niggas are bitches too
See y'all be doing the same shit that bitches do
Damn you saying that you're playing but it must be with
yourself
'Cause they know pimp is black all on your
motherfucking shelf
They say that you're a pimp but I beg to disagree
Girl you're foreign and you're stable you can ride on
your feet
Feed your bottom bitch is dragging hanging on by a
thread
With their infected ass pussy and some horrible head
Risk begging for hoes you ain't a pimp you a pit stop
Slacking on your macking man when will this shit stop
Think that shit's hot? but that shit's not
And that's the quickest way to fuck around and get
shot
Wanna be what you never will , what?
And that's me a triple OG nigga I'm forever thrill
I always come through in the club in the clutch
And I'm just mailing fist and izzle for you thank you
very motherfucking much

These lames don't hate you for your pimping ways
Their lives can't compete to what I pimp today
And I will stay on the beach smoking weed that rich

I'll show you and some davi in the ditch
But and the girlfriends man they some freaks
I ain't so misexquisite like calligraphy
She put it in her pussy it was 5 in each
I'm fucking pimp I'ma be all I can be
The armed forces riding in some line horses
Never see us in the cage bitch we bind porsches
Plus we getting high then some flying saucers
Bitches playing closer and I test the road
Let them suck for sorry we in ferarris
Stealing niggas hoes like Lance and Robin
That don't mean the trans we in the safari
Our game is the bench your game is atari
