let's get out  
let's get out of here  
let's get out  
let's get out of here the road is melting again  
we are all the way  
we are all the way the bus is running away  
we're all on the way  
we're all on the way  
it's following us  
it's following us i've got a list of questions for you  
i have a dictionary in my pocket,  
it's waiting for you answer i've got a list of  
questions for you my heart is pumping again,  
it's pumping again,  
i'm trying to stop it,  
it's not gonna work  
it's not gonna work! the bus is running away .  
it's making some noises,  
the windows are open  
and look at the leaves...  
are moving again let's get out  
let's get out of here  
let's get out  
let's get out of here i can't run away from you... [x4]
