Eighteen wheeler
Stone cold killer
Hit it and quit her.

Baby, baby

No hot stealer,
Sex dealer,
Don't put the trigger.

Bang, bang

No, you're never gonna
Take me out.
Never, never gonna
Take me out.

Should know better
If you go get her
You'll end up in.

Flames, flames

[Uh-oh]

There you go,
Gun in your holster,
Ready to blow.

[Uh-oh]

There you go,
Hunting me down
Like an animal.

[Uh-oh]

There you go

[Uh-oh]

T-there you go

[Uh-oh]

There you go, there you go, there you go

I don't wanna,
Be ya,
See ya,
Hear ya,
You're a heartkiller.

I don't wanna
Feel ya,
Can't be.
Near ya,
You're a heartkiller.

A murderer,
Serial lover.

I don't wanna,
Be ya,
See ya,
Hear ya,
You're a heartkiller.
Killer, killer.
You're a heartkiller.
Killer, killer, killer.

Big far liar,
Pants on fire,
To you it ain't noting but a
Game, game
Preaching to the choir,
Bullets keep flying,
Bet ya look good in
Red, red.

No, you're never gonna
Take me out.
Never, never gonna
Take me out.

Should know better
If you go get her
You'll end up in.

Flames, flames.

[Uh-oh]

There you go,
Hunting me down
Like an animal.

[Uh-oh]

There you go
[Uh-oh]
T-there you go
[Uh-oh]
There you go, there you go, there you go

I don't wanna,
Be ya,
See ya,
Hear ya,
You're a heartkiller.
Killer, killer.
You're a heartkiller.
Killer, killer, killer.

Caution tape the door,
Chalk lines on the floor,
If I let you in, no.

I'll never become.
Victim to your touch,
Damaged by your love.

Love, love

I don't wanna,
Be ya,
See ya,
Hear ya,
You're a heartkiller.
Killer, killer.
You're a heartkiller.
Killer, killer, killer.
You're a heartkiller.
