Our friends think we're opposites
Falling in and out of love
They all said we'd never last
Still we manage to stay together

There's no easy explanation for it
But whenever there's a problem
We always work it out somehow
Work it out somehow

They said, it wouldn't last
We had to prove them wrong
Cause I've learned in the past
That love will never do without you

Let's go

Come on, baby, let's get away
Let's save our troubles for another day
Come go with me. We've got it made
Let me take you on an escapade

Other guys have tried before
To replace you as my lover
Never did I have a doubt
Boy it's you, I can't do without

I feel better when I have you near me
Cause no other love around
Has quite the same, ooh ooh
Like you do, do, do, do babe

They said, it wouldn't last
We had to prove them wrong
Cause I've learned in the past
That love will never do without you

Let's go

Come on, baby, let's get away ooooooooooh
Let's save our troubles for another day ooooooooooh

Come go with me. We've got it made ooooooooooh
Let me take you on an escapade on an escapade, baby

Es Escapade
Es Es

My mind's tired I've worked so hard all
Worked so hard all week
I just got paid, we've got it made ready to go
I promise you I'll show you such a good time

Come on, baby, let's get away ooooooooooh
Let's save our troubles for another day ooooooooooh
Come go with me. We've got it made ooooooooooh
Let me take you on an escapade on an escapade, baby

Come on, baby, let's get away ooooooooooh
Let's save our troubles for another day ooooooooooh
Come go with me. We've got it made ooooooooooh
Let me take you on an escapade on an escapade, baby
Let's go
Es-ca-pade ooooooooooh
Es-ca-pade ooooooooooh
Es-ca-pade ooooooooooh
Es-ca-pade on an escapade, baby
Es-ca-pade
