[Kat Graham]

Denim jean jacket, pink chucks
And a mini skirt
Be your bad habit
Throw me up against the wall first
I take advantage of you
You take advantage of me
Drink up this bottle of yeah
And paint your body on me

[Hook]

Put Your Graffiti On Me
Put Your Graffiti On Me
Put Your Graffiti On Me

Put your name on it put you put your name on it
Put your name on it put you put your name on it
Put your name on it put you put your name on it
Put your name on it put you put your name on it

[Kat Graham]

Cotton candy. lollipop
Sticky like a post-it
You don't need to drum my heart
You already own it
I take advantage of you
You take advantage of me
Drink up this bottle of yeah
And paint your body on me

[Hook]

Put your name on it put you put your name on it
Put your name on it put you put your name on it

[Bridge]

You treat me like concrete under your feet
I'll be your callus incomplete
Your baby doll, your ally-wall
Heart in Graffiti
