I used to be somebody who could control myself  
but I can't anymore  
I used to have a grip on reality  
but I keep on slipping down

Now I'm under pressure  
Deny the limitation  
I am my own worst enemy  
it kills me every time.

Big machine, take it for a ride  
get inside and grow this crushing sound

Deny the limitation  
Deny the limitation

It's all a part of the animal in myself  
And I just don't care anymore  
I let it take the shape of duality  
And I feel I'm breaking out  
Now I'm under pressure  
Deny the limitation  
I am my own worst enemy it kills me every time

Big machine  
I'll take it for a ride  
Get inside and grow this crushing sound  
Big machine  
I'll take it for a ride  
Get inside and grow this crushing sound

Deny the limitation
