(feat. Big Gem)

Ever since the day you went away and left me lonely  
and cold  
My life just hasn't been the same ohh baby, nooo  
When I looked into your eyes the moment that I let you  
go  
I just broke down (down)

Baby if I ever get the chance to be with you again I  
would sacrifice  
'cause the feeling that I feel within  
No other man would ever make me feel so right  
Its nice to smile when I get your phone call at night  
But I'd rather have you here with me, right next to me  
I miss the way you hold me tight

[Bridge]

I gotta let you know I feel so weak without your touch  
I never thought that I could ever love a man so much  
I gotta let you know I think that we are destiny  
For you I'd cross the world, for you I'd do anything

[Chorus 2x]

That's right baby I'm going crazy  
I need to be your lady  
I've been thinking lately  
That you and me, yes we can make it  
Just ride with me, roll with me I'm in love with you baby

Break it down now I'll tell you what I feel  
From the moment that I met you it's been so damn real  
My heart seems to skip another beat  
Every time we speak, I can't believe I feel so weak  
Tell me that you really need me and you want me and  
you miss me  
And you love me I'm your lady  
I'll be around waiting for you I'll put it down be the  
woman for you

I'm falling so deep for you crazy over for you

I'm calling, calling out to you what am I going to do?  
It's true and no fronting  
Its you and no other i can no longer go on without you  
I'll just break down (down)

[Bridge]

I gotta let you know I feel so weak without your touch  
I never thought that I could ever love a man so much  
I gotta let you know I think that we are destiny  
For you I'd cross the world, for you I'd do anything

[Chorus]

That's right baby I'm going crazy  
I need to be your lady  
I've been thinking lately  
That you and me, yes we can make it  
Just ride with me, roll with me I'm in love with you baby
