I am broken, I can't be found.  
I am drowning in my own disbelief.  
I am broken and torn,  
I won't be found anymore.  
I fear now my life has vanished from the earth.  
I don't want to be alone anymore,  
I'm crushed and broken on this floor.  
I know you won't forget me, Lord.  
Won't you come near and make me yours?  
I have been found and there's no doubt of where my  
life will go from here.  
I can't take back the words as I move forward again, I  
won't...  
Don't leave me here tonight!  
Please, just stay till morning.  
I have been found and there's no doubt of where my  
life will go from here.  
I am broken and torn, I won't be found anymore.  
I fear now my life has vanished from the earth.  
No more pain, free from shame, I am not forgotten.  
I have been found, and there's no doubt of where my  
life will go from here.  
Don't leave me here tonight!  
Please just stay till morning.
