You're great  
You're smart  
You make me laugh  
It's just too bad the circumstance  
Won't let go  
I'm feeling scared,  
I'm unprepared

I'm a coward  
I'm a coward

I can't love you  
Cause I can't love you  
I won't touch you  
Cause I can't

So beautiful  
You're just my type  
I often sit and wonder why  
I waste my time  
Inside my head  
There's no excuse

I'm a fool  
I'm a fool

I can't love you  
Cause I can't love you  
I won't touch you cause I can't  
I can't kiss you  
Cause if I kiss you  
I might want to and I can't

I just want to drown  
You think that I might try to swim  
Even through rose colored glasses  
I'm afraid to take those chances

I can't love you  
Cause I can't love you  
I won't touch you

Cause I can't  
I can't trust you  
Cause if I trust you  
I might love you and I can't  
Love you

I can't love you  
I won't touch you cause  
I can't  
Love you  
I can't  
Love you  
I can't  
Love you  
I can't  
Love you  
I can't  
Love you  
I can't  
Love you  
I can't  
Love you  
I can't  
Love you  
I can't  
Love you  
I can't  
Love you  
I can't  
Love you  
I can't  
Love you  
I can't  
Love you  
I can't  
Love you
