Woke up this morning on the wrong side of the bed
I should've stayed and dreamed
And let warm and fuzzy thoughts fill my head

My breakfast of champions is a cold pizza
And a cold cup of coffee
And an even colder shower

I'm late for work, yeah, my boss is a jerk
You know he drives me crazy but it won't change me

I'm gonna live like I can fly
I'm gonna laugh until I cry
I'm gonna live like I've got money falling from the sky
I'm gonna live with no regret
I'm gonna give all that I get
I'm gonna live as if the best is gonna happen

Reality check: my rent is overdue
Yeah, I thought we had a good thing
But now you say, "Sorry, baby. We're through."

Hello, to now
Why don't you stay for a while?
Kick off your shoes cause I'm not gonna sing the blues
Yeah

I'm gonna live like I can fly
I'm gonna laugh until I cry
I'm gonna live like I've got money falling from the sky
I'm gonna live with no regret
I'm gonna give all that I get
I'm gonna live as if the best is gonna happen

No, I'm gonna keep on laughin'
No, the best is gonna happen
The best, the best is yet to come

Yeah, yeah; yeah, yeah
Yeah, yeah; yeah, yeah

I'm gonna live like I can fly

I'm gonna laugh until I cry
I'm gonna live like I've got money falling from the sky
I'm gonna live with no regret
I'm gonna give all that I get
I'm gonna live as if the best is gonna happen

I'm gonna live like I can fly
I'm gonna laugh until I cry
I'm gonna live like I've got money falling from the sky
I'm gonna live with no regret
I'm gonna give all that I get
I'm gonna live as if the best is gonna happen

Yeah, yeah; yeah, yeah
Yeah, yeah; yeah, yeah
