You're in my head
You're in my brain
You're in my blood
As it is running through my veins
Now I will never be the same

You're in my bed
You're in my sheets
You're in my dreams
But I will never be complete
If you can't give me what I need

I want your love
Are you willing to give me time?
I want your heart
Do you want mine?
I'll bear my soul
Why would you turn away?

You're in my way
You're in my face
Clouding my day
You've got me waiting for your calls
Maybe you want to see me crawl

Don't make me beg
Throw me a bone
Give me a clue
Maybe you'd like to see me go
I wish you'd let me know

I want your love
Are you willing to give me time?
I want your heart
Do you want mine?
I'll bear my soul
Why would you turn away?

I want your love
Are you willing to give me time?
I want your heart

Do you want mine?
I'll bear my soul
Why would you turn away?

Why would you turn away?
Why would you turn away?
Don't turn away....
