Bubble pop come on
Bubble pop come on
Bubble pop come on
Bubble pop come on
Bubble pop come on

I'm so bubbalicious and so delicious
You can't resist it
Now can we kick it out, mah friend?
Yes I'm your friend
Your so super natural
When you dancing on da pole
Make me say "Oh boy"
Oh boy

I'm so bubbalicious and so delicious
You can't resist it
Now can we kick it out, mah friend?
Yes I'm your friend
Your so super natural
When you dancing on da pole
Make me say "Oh boy"
Oh boy

You keep it bubbalicious
Girl and that's what's up
Your handling yo business
Girl and that's what's up
I like it when ya shake it
Girl and that's what's up
You know that you can take it
Girl and that's what's up

Supa dupa fly
Baby girl, you so grown
Bangin' cold flavor
That's some cold rocky road
Mah friends lay low on da
Next episode
We havin' some of trouble
When we bubble

Girl, let da game flow

I'm so bubblicious and so delicious
You can't resist it
Now can we kick it out, mah friend?
Yes I'm your friend
Your so super natural
When you dancing on da pole
Make me say "Oh boy"
Oh boy

Now how da hell you get a playa
So electrified
Is that a dance you do
Or an exercise
Baby take me to a place
Where my spirits run free
Dance like we in france mama
Ooh-wee-wee, yeah

You the type of chick who loves
Skirts and high heels
I'm the type of cat
Who like throwin' dolla bills
Ain't no trouble when we bubble
Fly like a breeze
You can beat the geneses
I'ma be ya lemon squeeze

I'm so bubblicious and so delicious
You can't resist it
Now can we kick it out, mah friend?
Yes I'm your friend
Your so super natural
When you dancing on da pole
Make me say "Oh boy"
Oh boy

Bubblicious
Oh yes, so fly
Bubblicious
Oh yes, so fly
Bubblicious
Oh yes, so fly
Bubblicious
Oh yes, so fly

I'm so bubblicious and so delicious
You can't resist it
Now can we kick it out, mah friend?
Yes I'm your friend

Your so super natural
When you dancing on da pole
Make me say "Oh boy"
Oh boy

I'm so bubbalicious and so delicious
You can't resist it
Now can we kick it out, mah friend?
Yes I'm your friend
Your so super natural
When you dancing on da pole
Make me say "Oh boy"
Oh boy
