There's a carousel in Pittsburg, 'least there was before
the war
I saw a picture in a postcard dated 1934.
And it's probably gone to rust now, but all that silver
used to shine.
Anyway that's' where I'm going if I ever cut loose in
time.

Somewhere there's a mermaid singing oh whoa whoa
whoa
I know 'cause I hear it when I'm sinkin' low.

There's an old hotel in Dublin growing heavy in the
Irish rain,
and it's strange to think of all the special ways that
things will never be the same.
And the heart is full of spaces growin' fast and growing
deep

Well I dreamed I had a daughter, I was singing her to
sleep.

Somewhere there's a mermaid singing oh whoa whoa
whoa
I know 'cause I hear it when I'm sinkin' low.

Well I heard that you got married and that all your
dreams came true.
Well it's midnight here in Texas and I'm happy for you.

Somewhere there's a mermaid singing oh whoa whoa
whoa
I know 'cause I hear it when I'm sinkin' low!
Somewhere there's a mermaid singing oh whoa whoa
whoa
and I know 'cause I hear it when I'm sinkin' low.
