I've got no roots baby  
There's wind in my blood  
Ain't nothing new  
Like after the flood  
The clouds I'm reading  
My spirit is working  
Long way go go baby  
Long way to go  
Long way to go honey  
Got a long way to go now  
A sight to inspire  
Like steel through the fire  
Can't stop wonderin'  
Can't stop dreamin'  
There's a key to this door  
On a distant shore  
Long way to go baby -- happy to be  
Long way to go -- can't disagree  
Long way to go sugar -- happy to see  
Got a long way to go now  
You are the flower  
I am the bee  
You are the brook  
I am the sea  
Long way to go baby -- happy to be  
Long way to go -- can't disagree  
Long way to go honey -- happy to see  
Got a long way to go now  
(inspired by T-Bone Burnett)
