Gotta get out gotta have fun,  
Gotta see things on my own,  
Gotta get out of here,  
Right or Wrong I still gotta learn, GO!

::Rap Part::

Back in '99 we were hittin' all the dances,  
Always talking s\*\*t in the back of all our classes,  
Everyday after school test our skateboard ability,  
Even though it's changed it all seems so clear to me,

Back in the day when we were just young punks,  
Didn't say a lot, Cause we didn't know much,  
Now things have changed, for better or for worse,  
I'm scared and sorry, but I think we're growing up...

::Chorus::

Now I'm getting hair in funny places,  
Scared cause I might need a job, (A Job),  
Girls are becoming more than a past time,  
And I....  
Don't Wanna Grow Up,  
Don't Wanna Grow up,  
Don't wanna grow up,  
Don't wanna grow...
