"Take Me"

It's not like we're sayin' "Good Night",
Cause you're leaving tomorrow.
And it's not like we're sayin' "Good-Bye",
Because you never know...

We just might get married,
and have lots of kids,
And grow old real happy,
And never be sad,

WE just might Buy a Green Corvette,
And drive to Tibet,
and climb the highest mountain just to say we did it.

::Chorus::
Please Take Me
With you when you leave
And Please Take Me...
With you when you go,
When you go off to college my friend
I slip a note in your hand,
A tear falls from your eye,
We hug for one last time,
and I kiss you good-night

As you turn away,
And I head for my car,
We both turn back around,
and we hug for one last time,

Please don't close your eyes,
At least not tonight,
Look into mine, Tell me what do you see?
I am everything you need, And you're the same for me

::Chorus::
Please Take Me
With you when you leave
And Please Take Me...
With you when you go,
When you go off to college my friend

::Interlude::

So Now I'm Stuck Here, With My Hand On The Wheel
With, Nowhere To Go And, Noone To Go With, So I'll Sit
And Think About, Those Nights We Went Out, When We
Rode On The Town, Yeah, We Painted That Town RED.....

::Chorus::

Please Take Me
With you when you leave
And Please Take Me...
With you when you go,
When you go off to college my friend
