Believe it or not it's magic  
Believe it or not it's magic  
I was reminiscing over all the good times  
Still can't get you off my mind  
You are the one  
I never looked at no other eyes  
Because you are mine  
You know how much I really need you so  
With you I'm totally satisfied  
I throw a penny in the water  
Make a wish, love  
And maybe it will come to life  
Bridge:  
When you call me on the phone  
And you say you want to come back home  
You know it's so good  
I miss you so  
Chorus:  
Believe it or not it's magic  
Your love  
Believe it or not it's magic  
Your love  
Believe it or not it's magic  
Your love  
Believe it or not it's magic  
Your love  
No, no one understands me, not like you do  
Sometimes I feel you're in my mind  
Doing things for me  
You never think ???? (?)  
I can't believe I'm satisfied  
So many days and nights I pray for you  
Now I know that dreams they do come true  
With all my heart I give you all my love  
How'd you know that I was thinking of you  
Bridge  
Chorus 2:  
(Falling in love)  
Believe it or not it's magic  
Your love  
Believe it or not it's magic  
Your love

Believe it or not it's magic  
I'm falling in love  
Believe it or not it's magic  
Magic, magic, magic  
Believe it or not it's magic  
Believe it or not it's magic  
Repeat 'til fade
