Cross my broken heart, boy  
Cross my broken heart for you  
I'm going to stay this time

Cross my broken heart, boy  
Swear, I'll never part from you  
I want you to be mine

I know you think I'm not  
Your picture perfect jewel  
And let us break apart  
When everything was cool

I needed to explore  
And open up the door  
But now I need you more

I'm sending out a message  
A message so sincere  
When I close my eyes  
I need to feel you near

Can't get you off my mind  
For leaving me this time  
I'm still in love with you

Cross my broken heart, boy  
Cross my broken heart for you  
I'm going to stay this time

Cross my broken heart, boy  
Swear, I'll never part from you  
I want you to be mine

If I had your attention  
I'd tell you what I learned  
Despite of good intentions  
It's easy to get burned

I learned my lesson well  
It's you, I need to tell

This time I'm all for you

I need for you to trust me  
To give you all my best  
I'll prove just what your love means  
Just put me to the test

This time I need to stay  
Don't need to go away  
I'm still in love with you

Cross my broken heart, boy  
Cross my broken heart for you  
I'm going to stay this time

Cross my broken heart, boy  
Swear, I'll never part from you  
I want you to be mine

You're my morning sun  
You're my shining star  
You're my number one  
Cross my broken heart

In your eyes I see  
What you mean to me  
You're my destiny

I'm sending out a message  
A message so sincere  
When I close my eyes  
I need to feel you near

Can't get you off my mind  
For leaving me this time  
I'm still in love with you

You're my morning sun  
You're my shining star  
You're my number one  
Cross my broken heart

In your eyes I see  
What you mean to me  
You're my destiny

Cross my broken heart, boy  
Cross my broken heart for you  
I'm going to stay this time

Cross my broken heart, boy

Swear, I'll never part from you  
I want you to be mine

Cross my broken heart, boy  
Cross my broken heart for you  
I'm going to stay this time

Cross my broken heart, boy  
Swear, I'll never part from you  
I want you to be mine

Cross my broken heart, boy  
Cross my broken heart for you  
I'm going to stay this time

Cross my broken heart, boy  
Swear, I'll never part from you  
I want you to be mine
