"Make It Real"

Tonight it's been a year
we met each other here
Here I am all alone
as thoughts of you go on
Hear me cryin' out to you
you said, "Never, never would I leave"
Here's a tear from me to you
and maybe it will make you hear me
chorus:
I loved you
You didn't feel the same
Though we're apart
You're in my heart
Give me one more chance to
Make it real
In a dream you are here
You smile and hold me near
And in my heart I'll pretend
that you are here again
Hear me cryin' out to you
You said, "Never, never would I leave"

Here's a tear from me to you
and maybe it will make you hear me

chorus

Give me one more chance to

Make it real
