### V1

**MotoLyrics** 

Pack your bags letÂ's get away IÂ'm in the mood to leave today DonÂ't you worry Â'bout the rent and all the bills Cuz theyÂ've been paid Tell your boss that youÂ're on leave Call your friends and family Hold the mail And change the message on your voice mail WeÂ'll be gone for guite some time Lots of places we can fly People everywhere will see Our message written in the sky YouÂ're all work and IÂ'm all play Why donÂ't we just meet half way Pack your bags, I want to leave today

#### CHORUS

I wanna rock around the world Take you on a carpet ride No need to rush, letÂ's take our time Unwind, to the beat of life

#### V2

Chocolate San Francisco treats WeÂ'll be dancing in the streets Make our way to Mardi Gras and funky Blues in New Orleans RioÂ's Sugarloaf weÂ'll climb Listen to the Big Ben chime Ride the ferry, cross the channel with Parisian **Pantomimes** Travel to the Taj Mahal See the wonders of Nepal

Listen to the roaring thunder of the waters of the Nile

Barrel down Niagara Falls In Ibiza lose control Pack your bags, I want to leave today

#### CHORUS

I wanna rock around the world Take you on a carpet ride No need to rush, letÂ's take our time Unwind, to the beat of life

#### BRIDGE

LetÂ's rock around the world And roll together eh-eh, eh-eh, eh-eh-eh WeÂ'll rock around the world And roll together eh-eh, eh-eh, eh-eh-eh

## V3

WeÂ'll have all that we need It will be you and me And the places weÂ'll see ThereÂ'll be treasures to find In the sparkling sky WeÂ'll fulfill our desires Let your spirit fly free ThereÂ's no place we canÂ't be WeÂ'll do more than sightsee LifeÂ's a journey we should take Lots of memories weÂ'll make Pack your bags, I want to leave today

#### CHORUS

I wanna rock around the world Take you on a carpet ride No need to rush, letÂ's take our time Unwind, to the beat of life
