THIS SONG WRITTEN BY NATALIE ALVARADO

Ever since the day you went away and left me lonely  
and cold  
My life just hasn't been the same, oh baby no  
When i looked into your eyes the moment that i let you  
go  
I just broke down(down)

Baby if i ever get the chance to be with you again i  
would sacrifice  
'cause the feeling that i feel within  
No other man would ever make me feel so right  
It's nice to smile when i get your phone call at night  
But i rather have you here with me, right next to me  
and miss the way you hold me tight

Bridge]  
I gotta let you know I feel so weak without your touch  
I never thought that I could ever love a man so much  
I gotta let you know I think that we are destiny  
For you I'd cross the world, for you I'd do anything

[Chorus 2x]  
Thats right baby I'm goin crazy  
I need to be your lady  
I've been thinking lately  
That you and me, yes we can make it  
Just ride with me, roll with me I'm in love with you baby

Break it down now i'll tell you what i feel  
from the moment that i met you its been so damn real

My heart seems to skip another beat  
Every time we speak, can't believe I feel so weak  
Tell me that you really need me and you want me and  
you miss me  
And you love me I'm your lady  
I'll be around waiting for you put it down be the woman  
for you

I'm falling so deep for you crazy over you

I'm calling, calling out to you what am I gonna do?  
it's true no frontin'  
It's you and no other I can no longer go on without you  
I just break down (down)

[Bridge]

I gotta let you know I feel so weak without your touch  
I never thought that I could ever love a man so much  
I gotta let you know I think that we are destiny  
For you I'd cross the world, for you I'd do anything

[Chorus 2x]

Thats right baby I'm goin crazy  
I need to be your lady  
I've been thinking lately  
That you and me, yes we can make it  
Just ride with me, roll with me I'm in love with you baby

Ohhh, ohhh....  
Crazy... lady..... lately....  
Ohhh ohhh.....  
Ohh ohhh ohhhhhh  
Baby...
