V1

Love came
Soft as a breeze in May
It was whispering my name
Moons came
Lighting the season's change
To a secret shore, we sailed away
And now

Chorus:

Leaves are turning once again
Here we are at summer's end
Wading through the tides of time
Another season comes and goes
Leaves once green will turn to gold
Time won't break the tie that binds

V2

One mind
When two hearts and souls combine

Brought together by a sacred tie
Sweet wine
I taste when your lips touch mine
Each sip I take gets better with time

Chorus

Bridge:

Oh oh oh, oh oh oh, oh oh oh, oh
Oh oh oh, oh oh oh, oh oh oh, oh
Leaves are turning once again
Here we are at summer's end
Wading through the tides of time
Leaves are turning once again
Another season comes and goes

Leaves once green will turn to gold
Time won't break the tie that binds
Leaves are turning once again

From the album: Random Thoughts
