V1

Here I go again  
Covering my ears so I don't hear it  
(What a doggone shame)  
Time and time again  
I close my eyes  
So I don't see it  
(It just feels insane)  
But I wanna know

CHORUS

What's goin' on next door?  
It's hard to tell for sure  
It's not my business, no  
What should I do?  
What if that's me next door?  
Would I want you to know?  
If I was hurting so  
What should you do?

V2

It's no concern of mine  
But I could be mistaken  
(It's a chance I'll take)  
There might come a time  
When it's too late  
Someone's forsaken  
(It's a sad mistake)  
Still, I wanna know

CHORUS

What's goin' on next door?  
It's hard to tell for sure  
It's not my business, no  
What should I do?  
What if that's me next door?  
Would I want you to know?  
If I was hurting so

What should you do?

BRIDGE

I need to know if I'm responsible for  
My neighbor, or a stranger  
But if I wait, it might be too late  
For an answer  
Wake up people this has got to STOP

CHORUS

What's goin' on next door?  
It's hard to tell for sure  
It's not my business, no  
What should I do?  
What if that's me next door?  
Would I want you to know?  
If I was hurting so  
What should you do?
