So here is to the heartbreakers
Who are so good at hiding all the evidence of them
pretending.
All along who were we kidding?

V1)

You think that it is over,
When did it ever begin?
Don't pretend like he was ever interested.
He may have had you fooled by,
The way he looked into your eyes.
But no he really looked right through, through it all.
He could swear he never meant it,
Act like you're overreacting,
But he's the tool who shouldn't have been acting.
How are they the ones attracting us?

CHORUS 1

Here's to the heartbreakers
Who are so good at hiding all the evidence of them
pretending.
All along who were we kidding?
I could find a man and not a boy.
Yeah you'll see what you're missing.
Yes I'm fine now, thanks for asking.
Here's to the fakers
Here's to the heartbreakers!

V2)

You try to play his games but
Then you're the one who's being confusing.
He'll keep using that old line,
You could just tell me you don't have the time.
But no, you wanna leave me hanging.
What's the point in all of my waiting?
I'm the one who's noticing you,
Guess that makes me obsessed with you.
I turn your flaws into beauty,
And you're seeing this as a bad thing.
Are you kidding me?
Yeah well, you're the one who'll be missing me.

CHORUS 2

So here is to the heartbreakers
Who are so good at keeping us around
While still keeping our confidence down.
Do you feel as if you own me?
I could find a man and not a boy.
Yeah you'll see what you're missing.
Yes I'm fine now, thanks for asking.
Here's to the takers
Here's to the heartbreakers!

BRIDGE

This is the story of a girl who builds her own thoughts.
She has the faith that he'll be more than what she only
thinks she
wants.
She's seen the bitter truth
But when someone is looking right at you,
It's hard to see through the lying eyes
When you're mesmerized.
Yeah I'm mesmerized.

So here's to you, the heartbreaker
Who was so good at hiding all the evidence of your
pretending.
All along who was I kidding?
And now for you, the heartbreaker
Who was so good at keeping me around
While still keeping my confidence down.
Well you'll never own me.
You'll never even have me...
Yeah.
Cause I could find a man and not a boy.
Yes you'll soon see what you're missing.
Did you get what you came for?
Yeah, you're a heartbreaker.
Let me give you a little more.
You know who you are... this one's for you.
