Bastard proclamations of a dying nation
Social deconstruction through deceit and deception

Hit us with your pointing stick

Golden arches crucifix

We will never be like you

Subliminal derangement of the human senses
Corporate illusions of holy intervention

Vulture culture history

Television ministry
We will never be like you

Let me be your neon god
We've got brand new illusions for your plastic souls
Were all wired up and ready to go

Because gravity means nothing now

A man made messiah of concrete and steel

Instant salvation through your t.v.screen
Let me be your god....

Subdue your maker - Subdue your maker

I am the giver and I am the taker

Subdue your maker - Subdue your maker

All succumb to me...

Let me be your neon god

Were all wired up and ready to go
We've got brand new illusions for your plastic souls

Because gravity means nothing now
A man made messiah of concrete and steel
Instant salvation through your t.v.screen

Let me be your god....
