If I ever write this letter  
the pages I could write  
but I don't know where to send it  
you have vanished  
heaven knows where you live  
heaven only knows

if I ever write this letter  
bitter words it would contain  
just and unrequited lover  
wishing she had never

spoken your name  
had never known your name

but if I ever write this letter  
the truth it would reveal  
knowing you brought me pleasure  
how I'll often treasure  
moments that we knew  
the precious, the few
