Oh lately I've been walkin' all alone
Through the wind and through the rain
Been walking through these Â...
And knowin' that it won't be long

Oh lately it's occurred to me
That I've had enough of that
And lately I've been satisfied by simple things
Like leaving here and leaving now

Never again not in this life
Will I be taken twice
Never again no
Never on your life
Will I make that same mistake
I can't make it twice

Oh lately it's occurred to me
That exactly what went wrong
I realized I compromised
I sacrificed far too much for far too long

Never again no not in this life
Will I be taken twice
No no no no
Never again no never on your life
Will I make that same mistake
I can't make it twice

Startin' out from here today
Swear I'm gonna change my way
Call mistaken???
Â...
Never never never twice

Never again no not in this life
Will I be taken twice
No no no no
Never again no never on your life
Will I make the same mistake
Gonna make it twice
No no no no

Never again no never on your life
Will I make that same mistake
I can't make it twice

Starting out from here today
Swear I'm gonna change my way

Starting out from here today
Swear I'm gonna change my way
Gonna change my way

Never again no never again
No never in this life
Gonna make that same mistake
Gonna make it twice

Never again no never again
No never on your life
Gonna make that same mistake
Gonna make it twice
