If I ever write this letter
the pages I could write
but I don't know where to send it
you have vanished
heaven knows where you live
heaven only knows
if I ever write this letter
bitter words it would contain
just an unrequited lover

wishing she had never
spoken your name
had never known your name
but if I ever write this letter
the truth it would reveal
knowing you brought me pleasure
how I'll often treasure
moments that we knew
the precious, the few
