What's it like there outside
With the living, with the living
Here I've found a place I can hide
From the living, from the living
Because I don't care to stay with the living
Oh, the bottle has been to me
My closest friend, my worst enemy
For a flavor I walked a fine life
Squandered it all and wasted my time
And I don't stand a chance among the living

For the lovers I've gambled and lost
Count my mistakes whatever the cost
I'll go off, I'll make myself scarce
Oh, come tomorrow
You won't find me here
Because I don't care to stay with the living
I don't think I'll remain with the living
And I don't care to stay with the living
No, I don't care to stay
