Everyone has changed, yet everything's the same  
I promise to return once I make my escape

(Hey)

Make my escape

(Hey)

Everyone has changed, yet everything's the same  
I promise to return once I make my escape

(Hey)

Not able to erase or recollect my face  
And it turns out I wont be coming back for you

I wont be coming back for you

Let me take this time to recognize that the Flipside kids  
are

Sick forever, when they turn the party on, there's just  
no getting better

Artist and poets alike will unite to get it right, a sound  
worth

Searching their entire lives for

[Tarcy:]

Alive once again, cause time's well spent with friends  
This is so far from the first time that I felt sure

Everyone has changed, yet everything's the same  
I promise to return once I make my escape

(Hey)

Not able to erase or recollect my face  
And it turns out I wont be coming back for you

Rock stars outshine the skyline, deep in the heart of  
Texas

We've learned and now it's our turn, to keep your  
hearts in Texas

[Tarcy:]

Alive once again, cause time's well spent with friends

This is so far from the first time that I felt sure

Everyone has changed, yet everything's the same  
I promise to return once I make my escape  
(Hey)

Not able to erase or recollect my face  
And it turns out I won't be coming back for you

Whoa

[Tarcy:]

Alive once again, cause time's well spent with friends  
This is so far from the first time that I felt sure

(I won't be coming back)
